Arlington, VA 22207

Dear Angie:

On behalf of all of us at Arlington Free Clinic, I want to thank you for your recent gift of \$25,000.00 dated 6/16/2025 for our women's health program and breast cancer initiatives. Access to healthcare makes a critical difference in the lives of individuals and families — giving them peace of mind and economic security — and thanks to you, we're able to continue to work every day toward a healthier Arlington for everyone.

By donating to AFC, you help to provide a comprehensive and compassionate medical home for adults in our community living with a low-income and without health insurance. Each month, we're able to welcome brand new patients into the Clinic, like the construction worker with diabetes who'd been unable to afford medication, or the mom who felt a lump but was scared to see a doctor because it's so expensive. Thanks to the generosity of many volunteers and donors like you, AFC can provide top-quality medical care as well as services like counseling, wellness programs, and dental care to help remove barriers to good health — and give our patients a bridge out of poverty.

Thank you for choosing Arlington Free Clinic as the recipient of your generosity. Your faith in us truly makes a difference. As the need for our services continues, we hope that you will continue to partner with us in our mission of caring for our neighbors in need.

With warmest regards,
Beth
